Your Motorization Source

When your client demands the best in custom motorized or automated window coverings, now you'll be prepared to close that more profitable sale - without having to worry about all the complicated technical issues. We offer a complete, professional turn-key service that can work under your company's umbrella.

You design the window treatment application, and we'll take care of all the details concerning the finished product (motorization, electrical, controls and installation). Our Certified Expert Installation team ensures a perfect completion of the entire project - large or small.

Our services include:

- Free quotations at competitive prices
- We welcome challenges - you specify it and we will design it
- Sketches, wiring diagrams, technical information and specifications furnished if necessary
- Quality workmanship on all window treatments from basic to designer to "one of a kind"
- Your fabric or ours available for all styles
- Job scheduling to fit your schedule with Certified Expert Installation
- We travel statewide, including Southern Wisconsin, Northern Indiana and Lower Michigan
- Trade discounts applied on all window covering products

Our guarantee is your complete satisfaction.

DC Window Automation is Chicagoland's leading "To-The-Trade" source and supplier for motorized and automated custom draperies, shades and blinds. Our staff of over 10 experienced professionals provide services including consultation, design and installation. We are proud to be recognized experts in the newest technologies in window treatment motorization and automation.

How The Process Works

1. Call to discuss your requirements with one of our motorization specialists.
2. We will respond with a quote within 48 hours. (Some projects may require an on-site job visit before a quote can be given.)
3. We will follow through with you to clarify the intended application, measuring or installation.
4. Our service includes contacting appropriate electricians, builders, carpenters or construction contractors.
5. Once all details are confirmed, fax us your purchase order and we will remeasure and guarantee final product and installation.
6. Our staff will follow your job from start through completion and update you as to the progress.
7. We will call you and/or your client to schedule the installation of your motorized treatments.

We sell and service all major manufacturers including:
